Happy New Year

Note: No official January meeting due to Photonics West in San Jose. Several of our members will be attending.

We have been invited to exhibit at the NCET Expo on March 15th 2008. The event will be held at the Reno Convention Center and provide a networking forum for entrepreneurs. Come and join us at the OSA-RTC exhibit. Meet someone there who can help with your duties, so you do not have to wear all the hats. BTW funding sources and government agencies will be represented.
