## Please join us welcoming our newest board member:

### Dr. Moncef Tayahi:

Moncef has joined UNR about a year ago from Bell Labs, Lucent Technologies and teaches at UNR. Moncef has published in fiber optics and telecommunication, with a personal interest in photonics systems and networks. Moncef's background from industry and academia provides our cluster the link between the research facilities of the UNR system and the local industries. Moncef's enthusiasm and experience will be a great asset to the Reno-Tahoe-Photonics-Cluster.
