Invitation to meet on April 17th,2008

We enjoy the company of like-minded people, who share our interest in photonics and related subjects. It is an informal way to meet other professionals and exchange experience.

This is a party, where you may talk. Actually, we meet, so we can talk about science and engineering. And to stimulate the exchange, we have a volunteer presenting:

Speaker:

Laurence E. LaForge

Title:

VERTICAL CAVITY SURFACE EMITTING LASERS
FOR SPACEFLIGHT MULTI-PROCESSORS

Time:

April 17th , 2008 6:00 PM

Location:

Sonny's , 7689 South Virginia, Reno
(in the Longley West Plaza)

Note the new location: the private room of the Italian restaurant Sonny's at 7689 South Virginia in Reno. It is easy to reach for all, and we'll order of the menu. Great food, great wines, and great service.

NCET Expo

was a success: we showed a large cluster of high tech companies, and we are growing.

Be part of it. Join us for our meetings, use our website, add your logo, post a link, post your job openings, publish a news release. Forward this email to others, bring a friend to the meeting.
